Stephen, I received a call this morning from Paula Mckinney (TDH, 1-800-452-2791). She wanted information about the Site and Superior's storage activities. She informed me that a member of the San Patricio Local Emergency Planning Committee was questioning whether the storage of the oil was being reported to the LEPC.

Please call me if you have any questions.

Also, I will be calling you on Monday to discuss the agenda/etc. for the upcoming public meeting. Thanks.
